ACKNOWLEDGEMENT

I wish to acknowledge my deep sense of gratitude and indebtedness to my research supervisor Dr. P. Kolandaivel for his valuable and excellent guidance, continuous inspiration and friendly cooperation throughout the course of this research work.

I take this opportunity to express my sincere and heartfelt thanks to

- The Commissioner of Collegiate Education, Government of Tamilnadu, Chennai and The Principal, Government Arts College, Coimbatore for granting permission to carry out the research work.

- Dr. Sa. K. Narayandass, Head in Charge, Department of Physics, Bharathiar University for providing the facilities to carry out these investigations.

- Dr. C. Balasubramanian, UGC Emeritus Fellow, Department of Physics, for his kind help in initialization of this Ph.D work.

- Prof. K. Natarajan, Head, Department of Chemistry for providing Departmental facilities.

- Dr. S. Selvasekarapandian, Reader in Physics, Bharathiar University, for his kind and continuous motivation and well wishing encouragement.

- S. Arulmozhiraja, Research Scholar, Department of Physics, Bharathiar University for his valuable discussions and suggestions in the fields of Ab initio molecular orbital and density functional theories, throughout the Ph.D programme.

- Dr. L. Bencivenni, Department di chimica Universita degli Studi Roma, Rome, Italy for providing vibrational frequencies for the formic acid molecule (Chapter III) and his valuable suggestions and discussions for the II Chapter.

- Dr. R. Ramanujam, Head of the Department and faculty members, Department of Physics, Government Arts College, Coimbatore for their cooperation and encouragement throughout the course of the study.

- C. Pooranachandran, Head of the Department of Computer Science, Government Arts College, Coimbatore for his kind help and assistance in executing the computer softwares.

- K. Tamilselvan, Department of Electronics, P.S.G. College of Arts and Science, Coimbatore for his effective discussions in computer graphics.

- K. Velumani, Aruljothi Computer Centre, Sundarapuram, Coimbatore for providing computer facilities and for his technical assistance in the preparation of the thesis.

- D. Mangaiyarkkarasi, my wife, for her patience, encouragement and unflagging cheerfulness.

R. Kumaresan
