ACKNOWLEDGEMENT

I express my profound indebtedness to my supervisor and mentor, Dr. P. Dananjayan, Professor and Dean, Department of Electronics and Communication Engineering, Pondicherry Engineering College, for his support, selfless motivation and continued enthusiasm from the inception of the research to the completion stage. It would have been insurmountable to present this thesis without his support. It has been a great privilege and honour to work under him. I also extend my gratefulness to Mrs. Angayarkanni Dananjayan and Mr. D. Sathian for their unwavering encouragement which has inspired me to work harder and attain the goal.

I express my sincere gratitude to the Doctoral Committee members Dr. G. Nagarajan, Professor and Head, Department of Electronics and Communication Engineering, Pondicherry Engineering College and Dr. K. Porsezian, Professor, Department of Physics, Pondicherry University for their unswerving motivation and lively contributions of their busy schedule. I express my deep gratitude and loyalty for their magnanimous benignity and compassion, which has enthused me to comprehend the work.

I express my gratitude to Dr. P. Thambidurai, Principal, Perunthalaivar Kamarajar Institute of Engineering and Technology, Karaikal for their constant, inspiration and support to pursue this research work. I am grateful to Dr. D. Govindarajulu, Principal, Pondicherry Engineering College, Dr. V. Prithviraj, Former Principal, Pondicherry Engineering College, Dr. E. Srinivasan Professor, Department of Electronics and Communication Engineering for their whole hearted support and for permitting me to make use of the facilities in the college for the research work.
I profusely thank **Dr.S.Sivamurthy Reddy**, Professor, Department of Civil Engineering for the moral support and timely help rendered during the course of this research work.

I genuinely thank **Mr.P.Raja**, Associate Professor and Head, Department of Electronics and Communication Engineering, Sri Manakula Vinayagar Engineering College for the immeasurable and perpetual support received during the decisive periods of my research. I am greatly indebted to them for helping me get through those tough times.

I also wish to place on record my thanks to **Dr.R.Valli**, Professor and Head, Department of Information Technology, Adhiparasakthi Engineering College, **Mr.M.Thanigasalam**, Head, Department of Electronics and Communication Engineering, Women’s Polytechnic College, **Dr.P.Mukundan**, Professor, Department of Electronics and Communication Engineering, Adhiparasakthi Engineering College, **Mr.R.Shankar**, Assistant Professor, Sri Manakula Vinayagar Engineering College for their help extended during the period of my research work.

I am thankful to M.Tech students **Mr.K.Suresh, Mr.R.Mahadevan** for the innumerous help I have received from them at different times. I immensely thank the faculty members, non-teaching staff and students of the Department for the moral support rendered during the period of my research work.

With deep sense of gratitude, I wish to record my sincere thanks to my parents **Mr.V.Arumugam** and **Mrs.Aierany Arumugam**, for their incessant encouragement and sustained motivation provided throughout my career. My profound gratitude is to my wife, **Mrs. M.Megusundari**, my daughter **S.Thamizhini** for their patience, and affection offered during the crucial periods of my research.

I thank the Almighty for His blessings throughout the research period.
