Acknowledgement

Since production of knowledge is a social enterprise which takes place in scientific city of the philosophy of science, I must acknowledge the emotional contribution of my wife Reeta Sharma, my aunt Urmila Sinha, my younger brothers Amar Kumar & Harshvardhan Vinayak, my daughters Shreya & Shruti and entire family members.

I must thank my students Rajeshwar Nath Alok, Ravi Kishan Jha, Sunil Kumar Singh, Vijay Pandey, Shyam Sundar Pandey & Manoj Kumar whose cooperation made this work possible.

Apart from these people, I must express the sense of gratitude to those people who have gone through my work. Special thanks are due to Shailendra Kumar who took the pain in printing the manuscript through computer at odd hours.

Lastly, I also thank to Kumod Kumar, Praveen Kumar & Manoj Kumar for helping me in proof-reading.
