Acknowledgements

First, I bow in the reverence of Almighty, the omnipotent, the omnipresent, for it is in deed His blessings alone which provided me enough zeal to complete this work.

I would like to record my immense debt to Prof. Muhammad Iqbal, Head of the Botany Department for his skillful and affectionate guidance, sustained encouragement and for providing me all the necessary facilities.

I deem it a privilege to record my profound gratitude to Dr. Javed Ahmad, my supervisor for his gracious and intellectual stimulation throughout the present study. His scholarly suggestions, affectionate behaviour and unstinted help have been a fountain of inspiration to me. It is because of his immense interest, expert evaluation and sustained encouragement, which enabled me to bring this work to its logical conclusion and make it illuminatory.

I feel unable in expressing my deep sense of gratitude to Dr. Zafar Ahmad Reshi, my co-supervisor. I am fortunate to be inspired by his affectionate behavior and dynamic innovative nature throughout the period of my study. He was always available to help me with utmost care and attention to tide over the difficulties. It is because of his enthusiastic interest, encouragement, expert evaluation and help that made this work presentable.

I express my heartfelt and sincere thanks to Prof. P.S.Srivastava, Dean, Faculty of Science for his constant moral support, encouragement and affectionate behavior.

I candidly feel that words will hardly register the message of indebtedness assenting from the core of my heart to all the faculty members particularly Prof. S.K.Jain, Dr. Mahmood-u-Zaffar, Dr. T.O.Sidiqui, Dr. M.Z.Abdin, Dr. M.P.Sharma, Dr. Shahid Umer, Dr. A.Majib
and Dr Haider Ali for their constant encouragement, moral and academic support during the course of my research work.

I am very thankful to the authorities of Kashmir University especially the Department Of Botany for providing me necessary facilities and wise council. I feel unable in expressing my sense of gratitude to Prof.Sikander Farooq, Prof. B.A Wafai (H.O.D), Dr. Irshad Ahmad Navchoo, Dr. Zahoor Ahmad and Dr. Amina for their help and moral support.

A sincere word of appreciation goes to Mr. Hafiz-u-Din, and Mr. Imran for their unlimited co-operation in the field and laboratory work. My sincere thanks are due to Late Mehraj Chacha, Mr. Idrees, Mr.Wahid, Mr. Zakir A.S. and Mr. Saleem.

Mere words are not enough to express my gratitude to Miss Samina Aquil for her constant encouragement, moral support and abysmal co-operation. She was always present to share my moments of distrust, sorrow, joy and make my research tenure more interesting and successful.

It is my great pleasure to thank all my seniors and colleagues especially Dr. Haseeb Mugul, Dr. Altaf, Dr. Hasrat Ali, Mr. Abdul Wadood Dr. Saba, Dr. Tanveer Ali, Dr. Gazala, Dr Farah, Dr. Taranum Khudsar, Dr. Rama, Dr.Neru Gandotra, Dr. Bopinder, Dr. Bushra Wali, Miss Arshi, Miss Rubeena, Miss Sumeda, Miss Malani, Mr. Irfan, Mr. Rashid, Mr. Israr, Miss Ishrat, Mr. Riyaz, Miss Nuzhat, Mr. Sageer, Mr Illa, Mr. Inayat,Mr. Mansoor, Miss Tauseef, and Miss Kavita for their inovable help and thorough scientific suggestions.

My special and sincere thanks are due to the Sublime Computers Baramulla (J&K) especially Miss Rifat and Miss Tabasum for their limitless and enthusiastic interest in making my thesis more attractive and presentable. I am also thankful to them for their continuos encouragement, moral support and best wishes.

A very special and heartfelt thanks to my special friends especially to Mr. Shabeer, Mr.Mubashir, Mr. Akhalq, Mr. Manzoor, Mr. Abdul Hamid,
Mr. Sajad, Mr. Showkat, Mr. Ashfaq, Mr. Muzaffar, Mr. Riyaz, Mr. Ejaz and Mr. Pankaj for their scholarly suggestions, moral support and encouragement.

I sincerely acknowledge, honour and salute my loving parents, my sisters Mrs. Syed Surryya, Mrs. Syed Fareeda and Miss Syed Sakeena, Mrs. Bilquees and Miss Saima, my brothers Mr. Syed Abdul Lateef, Mr. Syed Mohd Ashraf, Mr. Syed Khursheed and Mr. Niyaz Ahmad, whose constant financial and moral support, love, care and advice made me capable to reach this stage. It was their inspiration, prayers and advice which has always been a great driving force behind my successful efforts.

Mere words are not sufficient to express my deep feelings, love and affection to my little Maryam and Momin.

It makes me happy to express my deep sense of gratitude and respect to Late Hakim Abdul Hamid, the founder of Jamia Hamdard. It is because of this great man that I was able to study and carry out my research work in one of the reputed universities.

This type of work is never a one man's effort. Actually, it is a combination of ideas, valuable suggestions, reviews, knowledge of different people and contribution of many others. Keeping this in view, I wish to express my sincere thanks and appreciation to all those, with whom I worked, interacted and shared my thoughts and insights which helped me in expending my knowledge and knowing my subject.
