Acknowledgement

I would like to express my whole hearted thanks to each and everyone who have helped me to complete my research work, in one way or other. First and foremost I thank my supervisor Prof. A. Krishnamoorthy, for his guidance, kindness, inspiration and motivation. I am also indebted to Prof. Srinivas R Chakravarthy for sharing his knowledge of matrix analytic methods and programming with FORTRAN with me, in addition to his contributions in the fourth chapter of this thesis.

I thankfully acknowledge helps I received from Mr. Varghese Jacob, my fellow research scholar. Thanks are also due to Dr. K.P. Naveena Chandran, and Dr. G.N. Prasanth of my parent Department, for the encouragement given by them. Discussions with Prof. Alexander Dudin, Dr. B. Krishnakumar, Dr. P.K. Pramod, Dr. T.G. Deepak and Dr. Viswanath C Narayanan were fruitful. I thank Dr. B. Lakshmy, Dr. R.S. Chakravarti, Dr. A. Vijayakumar, Dr. M.N.N. Namboodiri and Dr. P.G. Romeo for the support given by them. The office staff and the library staff of the Dept. of Mathematics, Cochin University of Science and Technology, have been very cooperative. The help and support given by the Principals, who have been in the office of Govt. College, Chittur are gratefully acknowledged. The encouragement given by Mr. Chidambaran, Mrs. Mary Shalet, Dr. Reji, Dr. Ali Akbar, Ms. Haseena, Ms. V.P. Lakshmy and Dr. Shine Lal of Department of Mathematics, Govt. College, Chittur was tremendous. Financial support was given by the UGC under the faculty improvement program.

My fellow research scholars have been very sincere to me. They include Mr. Manikandan, Mrs. Deepthi, Mr. Kiran Kumar, Mr. Pravas, Mrs. Anu Varghese, Mr. Jayaprasad, Mr. Tijo James, Dr. Ajayakumar, Dr. Seema Varghese, Mrs. Chithra, Mr. Tonny, Mr. Sajeed S Nair, Mr. Sathyan, Mr. Gopakumar, Mr. Jaison Jacob, Dr. Lalitha, Ms. Anusha, Mrs. Vinitha,
Mrs. Jaya, Mr. Santhosh Pandey, Mr. Didimos, Mrs. Raji George, Mrs Pamy Sebastian, Mr. Gireesan, Mr. Manjunath, Mr. Vijayagovind, Mr. Tibin Thomas, Ms. Seethu Varghese, Ms. Binitha Benny, Ms. Dhanya Shajin, Mrs. Reshma and Mr. Vivek.

Throughout my career my parents stood with me in all my ups and downs. Without them I would not have achieved anything. During my days in Cochin University of Science and Technology my wife and kid sorely missed my care and attention. They sacrificed quite a lot for me and took extreme care not to distract me from my studies.
