I wish to express my deep sense of gratitude and indebtedness to my beloved Research Supervisor Prof. B. B. Kaliwal, Chairman, Post-Graduate Department of Studies in Microbiology and Biotechnology, Karnataka University, Dharwad, for his valuable suggestions, inspiration and constant encouragement throughout the course of investigation. He has stood by me from the beginning, giving me moral support, guiding me in the right direction to reach my goals. My appreciation for his knowledge, simplicity, enthusiasm and helpfulness cannot be described in simple words in making me acute and perfect by providing effective advices in each and every step of this research work.

I thank and record my gratitude’s to former Chairman, Prof. (Smt). B. A. Shanbagh, Prof. R. Nazeer Ahmed and present Chairman, Prof (Smt). K. Pancharatna, Department of Zoology, Karnataka University, Dharwad, for providing facilities in doing my research work.

I profusely thank the Staff of USIC Department, Karnataka University, Dharwad for providing the facilities for pursuing the research work in their Department.

I would also like to thank Dr. K. Jayakumar (Professor and Head, Department of Pharmacology and Toxicology) and Dr. N. B. Shridhar (Assistant Professor, Department of Pharmacology and Toxicology), Dr. Suguna Rao (Professor, Department of Pathology) and the Dean of Veterinary...
College, Karnataka Veterinary Animal and Fisheries Sciences University, Bidar Hebbal, Bangalore as well as the Director of Research, Karnataka Veterinary Animal and Fisheries Sciences University, Nandinagar, Bidar for providing all the facilities during the research work. A sincere expression of gratitude towards Prof. (Mrs.) B. Salimath, Department of Biotechnology, Mysore University, Mysore for providing necessary resources and facilities during the research work.

I express my sincere thanks to Dr. V. Shyamkumar, Dr. C. T. Shivasharan, Dr (Smt) Pallavi Vastrad, Dr (Smt) R. D. Sanakal and Smt Waheeda Mulla for their valuable advices and support.

I would like to extend my sincere heartfelt thanks and gratitude to Prof. B. B. Kaliwal family for their blessings, wishes, encouragement and support.

I have great pleasure in expressing my deep sense of respect and sincere thanks to my family. I owe my warmest debt which I cannot repay to my Parents for nurturing my subtle interest, understanding my academic career, for their sacrifices and giving me unconditioned freedom. I treasure and cherish the love and affection of my friends and dear ones’s.

I am greatly indebted to my research colleagues and friends, Dr (Smt). A. G. Kulkarni, Mr. Sudheer Manawadi, Mr. Deepak Mudaraddi, Mr. Chandrashekhar Unakal, Mr. Arun Shetti, Mr. Suneel Dodamani, Mr. Jayaraj Chinchali, Ms. Rashmi Hosmani, Mr. Mahantesh M. Kurjogi, and Ms. Rashmi Vinayak for their encouragement and support with worthy suggestions during the period of my research work. I am very much thankful to Smt. Shashikala Aladmarad and Ms. Girija for their motivation and blessings for this work.
It’s my privilege to thank all the teaching and non-teaching staff of Post-Graduate Department of Studies in Microbiology and Biotechnology, Karnatak University, Dharwad for their help and co-operation throughout my research work.

I conclude by expressing my sincere thanks to all those who have helped me directly or indirectly in the completion of this work.

Place: Dharwad
